[Back](#)[Pay](#)

1. Check that the amount is correct and click 'Pay'.

1. From here on you are on the web site of Razor pay.
2. UPI is the fastest and least expensive.
3. Cards work well but is costlier .
4. Netbanking is available for limited number of banks.

Trouble shooting

1. In the beneficiary page, if you get stuck on what to do , just move on and make the payment. Send beneficiary details to colmurali@gmail.com. I'll update and you can verify from the dashboard.
2. After making the payment, if you don't get the receipt immediately, don't panic. Please wait for at least 15 minutes before trying again.
3. In case the amount has been debited from your account inform me on colmurali@gmail.com and on whatsapp.
4. Sometimes (5-10 % of cases), the payment does not get captured. We do it manually after checking from bank statement.

cheers!
